Step 2: In 'My EasyChair', please click 'make a new submission' and fill out your abstract information

The screenshot shows the 'My EasyChair' interface for the ICPMAT2026 conference. The top navigation bar includes 'Conferences', 'CFP', 'Preprints', 'Slides', 'News', and 'EasyChair'. The main content area displays the conference title 'ICPMAT2026 (The 20th International Conference on the Physical Properties and Application of Advanced Materials)'. Below the title, there is a message: 'You are logged in to ICPMAT2026 (The 20th International Conference on the Physical Properties and Application of Advanced Materials). Use the links below to access ICPMAT2026.'

Author

- [make a new submission author](#)

Step 3: For each author please fill out the form below. Some items on the form are explained here:

- Email address will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for not corresponding authors. These authors will also have no access to the submission page.
- Web page can be used on the conference Web pages, for example, for making the program. It should be a Web page of the author, not the Web page of her or his organization.
- Each author marked as a corresponding author will receive email messages from the system about this submission. There must be at least one corresponding author.

The screenshot shows the 'Author 1' registration form. The form includes the following fields: 'First name*', 'Last name*', 'Email:', 'Country/region:' (a dropdown menu), 'Affiliation:', and 'Web page:'. At the bottom of the form, there is a checkbox labeled 'corresponding author' which is checked.

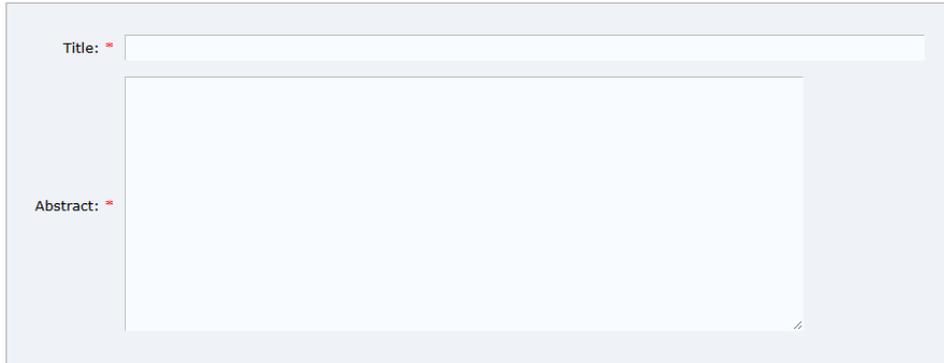

- Add an author information box if the manuscript has more than three authors.
